

Kiwa Covenants

Innovation meets Certification

kiwa

How Innovation meets Certification

- What?
- How?
- Need help?

What?

- A product is (new) on the market and the seller wants to advertise the very special characteristic for which there is no scheme/norm to match with.
- Who believes it unless a **recognized third party** confirms?

- Kiwa Covenant is our one on one service, established in 2013 and first issued in 2014.
- The product may be fully new or 'not recognized yet'.
- The characteristic is outstanding.
- The seller may be the OEM, a Private Label owner, a trader or...

What?

- The [Kiwa Covenant Manual](#) is the manual and template for the individual product or process to be certified.

[See an Example here](#)

- And each Kiwa unit may initiate, prepare, certify a product accordingly.

Covenant K93792/04

Issued 2019-03-01
Replaces K73792/03

Leadax

STATEMENT BY KIWA

With this Covenant, issued in accordance with the Kiwa Regulations for legitimate confidence exists that the products supplied by

Leadax B.V.

as specified in this product certificate and marked with the Kiwa®-mark product certificate may, on delivery, be relied upon to comply with Kiwa 01-01-2016.

Ronald Karel
Kiwa

Publication of this certificate is allowed.
Advice: consult www.kiwa.nl in order to ensure that this certificate is still valid.

What?

- The prerequisite to start a **Kiwa Covenant**

- No existing guideline or scheme is bypassed;
- Kiwa competence or hired competence in special occasions;
- Product claim is valuable.

How?

- You are a manufacturer of an innovative product which is not covered by an existing standard?
- Please fill in the [application form](#).
- Send it to NL.castor@kiwa.com
- Now [the procedure starts](#).
- If the proposed product, process or service is not in conflict with an existing standard, you will receive a commercial offer for your Covenant.
