## **Service fees**

#### List of fees for inspection and certification (international)

#### General information

- These services fees are applicable for following standards: EU Organic Standard, NOP, JAS, KOC NAQS, LPO, OSKSA, USCOEA, Tunisian Organic Standard and private organic labels such as BioSuisse, Demeter, Naturland, FairTSA.
- Services for inspection and certification will be invoiced in advance.
- Additional inspections may be required by the standards as a result of corrective actions, complaints or residues, or based on risk analysis. Such inspections will be charged at the rates set out in this Service fee list.
