

Invitation to Kiwa Academy Webinar

We are pleased to offer Kiwa Academy webinars this year on the topic of "Professional Handling of Suspicion Cases and Residue Cases." The webinars will take place from 10:00 am to approximately 12:45 pm CEU on the following date:

- **06. November 2025**

We will give you an **overview of the legal requirements** for dealing with suspicion cases, including identification, procedure, and documentation. If the suspicion cannot be plausibly dispelled by the company, a report must be made to the control body. We will also provide you with all the important details on this.

The webinar will take place via the ClickMeeting webinar software (no software download required).

Kiwa Academy: Professional handling of suspicion cases and residue cases

Agenda

10:00 Welcome and introduction

10:10 Handling of cases pursuant to Regulation (EU) 2018 Article 27:

- Legal requirements (taking into account Art. 39 (1) d))
- Determining whether suspicion exists or not
 - Evaluation of a laboratory report
 - Application of drying and processing factors
 - Application of Regulation (EU) 396/2005
- Procedure in case of suspicion:
 - Measures to be taken
 - Identification of sources (in-house, outside the company)
 - Identification of causes
 - Decision-making on the status of the affected product
- Review of the effectiveness of the precautionary measures plan
- Documentation of the process
 - • Derived requirements for the QM

11:30 Break

11:45 Handling of cases pursuant to Regulation (EU) 2018 Article 29:

- Legal requirements
- Cooperation with the supervisory authority (documents, deadlines, etc.)
- Handling of the final report
- Measures pursuant to Art. 39 (1) d) iii) sentence 1
- Obligations of the authorities
- Documentation of the process
- Derived requirements for the QM

12:30 Open question and answer session
